Aloha, my name is Jamie U. Kесе, and I am one of your republican candidates for the House of Representatives for District 36 (Pearl City). Now at the age of 27, I am married and also a mother of two. I am a volunteer teacher at Peniel Educational Ministries, (also located in Pearl City) where I graduated in 1995.

I have been a resident of the Pearl City district for the past three and a half years. Originally, I spent most of my childhood in Aiea with my three brothers and two sisters. Being an educator, I enjoy giving back to a good purpose as I continue to learn and teach.

I have found we have to get involved if we want to improve the future of our children and our families. Since I enjoy learning and teaching, I am sure that I would find a pleasure to return unto our community.

I am seeking the chance to also give the community a choice, and to give them the opportunity to voice their concerns. As a representative, I will do my best to make sure that our voices are heard.
